RE: TA Contract with JACOBS

RECEIVED

APR 29 1985

PUEBLO OF LAGUNA
GOVERNOR'S OFFICE

Gentlemen, I received this letter from M. Nelson today via express mail. I am assuming that these are the originals since all of the documents are signed in ink by Mr. Krishnan. Therefore, I am forwarding them to you for action. I believe all contract modifications/amendments were delegated to the Secretary, Treasurer and Governor. It will be necessary for the Pueblo to request a modification of its contract with the BIA. I will initiate that request today along with several others relative to the same contract. Copies will be sent to you as well as the Treasurer.
